

THE FUNCTION PACK

2026

*The Melbourne function venue
your guests actually remember.*

20 - 350 GUESTS

COLLINGWOOD

2 ROOFTOP TRAINS

One venue. Seven rooms. Two rooftop trains.

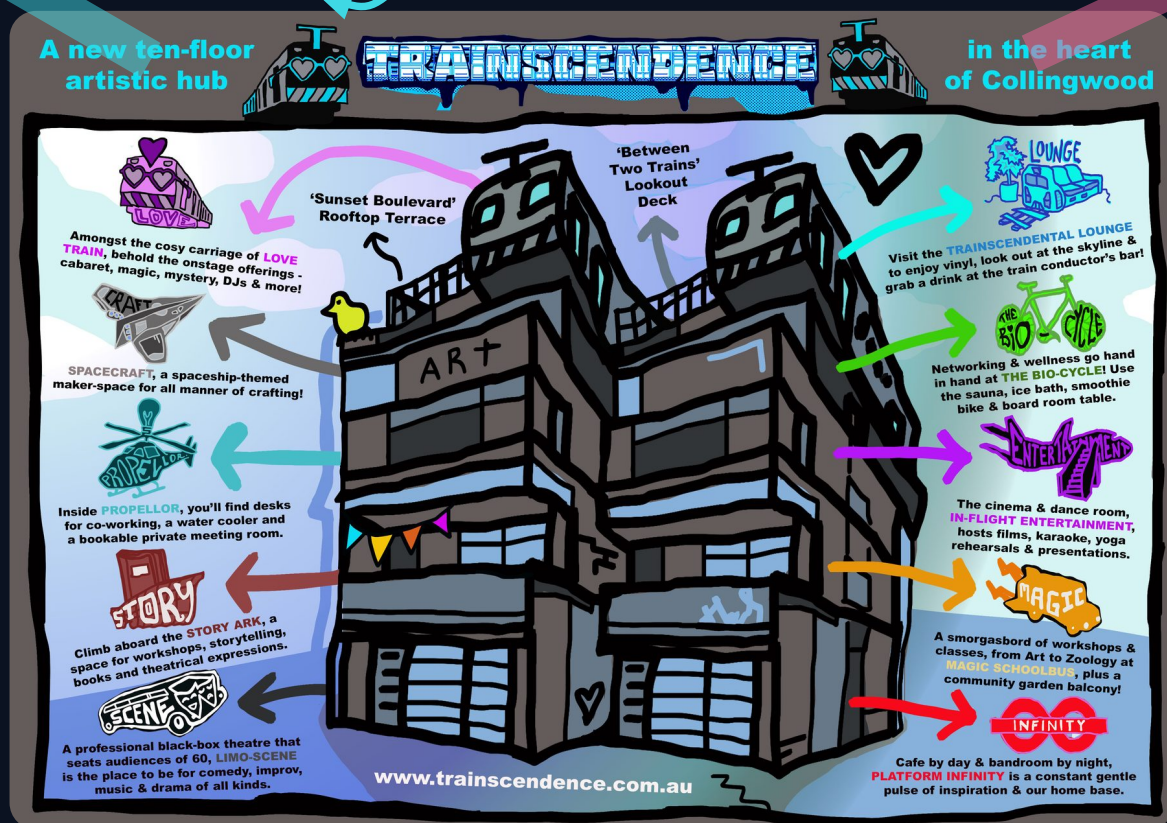

A 400-capacity creative events venue in Collingwood, ten minutes from the CBD. Two vintage train carriages sit on an open-air rooftop, connected by patio decking with its own bar. Below them: seven themed private rooms across ten floors, six bars, and an elevator to every level. It's the venue you've driven past on Easey Street and wondered what was on the roof.

WHY GROUPS BOOK HERE

- One venue handles venue, drinks, staff and entertainment — food is your call.
- Actual private space — a whole rooftop or floor, not a corner of a restaurant.
- 20 to 350 guests — an intimate party or a full-venue takeover.
- You show up as a guest. Your event host runs the night.
- Elevator access to every floor and all seven themed rooms — nobody left downstairs.

NOT INTO PACKAGES? TWO MORE WAYS TO RUN THE BAR

OPEN A BAR TAB

Put the room's minimum spend behind the bar as an opening tab. Guests order whatever they like while it runs — and once it's done, they simply buy their own. The minimum's covered, so there's nothing more to pay for the room.

GUESTS BUY THEIR OWN

Skip the tab entirely. Every drink your guests buy counts toward the room's bar minimum — hit it collectively across the night and the room is yours at no extra cost. Fall short and you just cover the difference. Most events comfortably hit it.

ONLY DRINKS COUNT TOWARD THE MINIMUM SPEND — PACKAGES, TABS AND GUEST PURCHASES.

Catering and entertainment are arranged separately and don't count toward it.

ADD ONS

Food, entertainment, extras.

Two things we don't lock you in on: food, and how much fanfare you want on the night.

FOOD, YOUR CALL

Bring your own caterer — no corkage-style catering fee, book whoever you love. Or use **Fabulous Catering**, our recommended partner. The three shortcuts we book most often — all designed for the roving / mingling format that suits the rooftop. Full menu on request.

The Grazer

Grazing platters for mingling — ~\$28pp for 30 guests

Italian Selection Box · Middle Eastern Platter · Premium Cheese Selection (3 × \$135) plus 2 chef canapé boxes. Keeps everyone moving, feeds a crowd, no dinner-plate awkwardness.

The Canapé Spread

Roving canapé service — ~\$32pp for 30 guests

Peking Duck Pancakes · Cured Salmon Blini · Grass-Fed Beef Sausage Rolls · Karaage Chicken · Vegetable Arancini (5 × boxes of 24). Hot + cold, meat + veg + seafood — timed to the 4-hour flow.

Late-Night Tacos (add-on)

\$36pp, min 30 — add to either package above

Fabulous Taco Package during the DJ hour — soft + hard shells, guests build their own from cajun chicken, Korean beef brisket, tempura flathead, pulled pork or sriracha tofu. Turns 9pm into a second-wind moment.

ENTERTAINMENT ADD-ONS

One-click extras handled by our event host so you don't manage vendors:

- DJ — booth included, DJ from our roster or bring your own.
- Live musicians — jazz trio, acoustic duo, or roving performers.
- Improv Pit workshop — 1 hour of improv games led by an Improv Pit teacher.
- Magicians, roving performers, dancers — brief us on the vibe.
- Photo booth — a favourite for team keepsakes.
- Custom decor — theme it up, or keep the venue as-is (it's already a lot).

WHAT MELBOURNE SAYS

Reviews from bookings.

★★★★★ 4.9 from 23 Google reviews

★★★★★

"Awesome venue. I booked one of their bar spaces so I could co-host a special fun night for about 35 people and it was awesome. We'll definitely do it again here. These guys are premium hosts and the atmosphere is excellent."

★★★★★

"This venue is truly SUCH a hidden gem of Melbourne. We booked the two rooftop trains for a music event and everyone raved about the venue. Harley and Luke are also so easy and amazing to work with – communication and collaboration was great."

"We celebrated my son's 21st birthday at this fantastic venue. Luke and his team were absolutely so accommodating. We had DJs and were allowed to decorate the carriage – the decking in between the carriages and little bar was perfect."

HOW A TYPICAL NIGHT RUNS

You're a guest. Not the project manager.

A rough shape of the 4-hour package. Every event has an event host who runs the night for you — yours will be tuned to your brief.

6:00 PM

Guests arrive, welcome drinks

Guests roll in to their allocated space. Bar opens. Your event host is on the door.

6:30 PM

Roving canapés

Food starts flowing — your caterer or Fabulous Catering, timed to the room.

7:30 PM

Grazing spread + speeches

A grazing spread lands. Guests eat, mingle, move. Speeches, toasts, awards — whatever your night calls for.

8:30 PM

DJ kicks in, dancing starts

The vibe shifts. Lights change. This is where the night is made — we've got you.

9:30 PM

Last drinks

Bar signals last round. Group photo. People start swapping stories.

10:00 PM

Close

We handle the pack-down. You go home a guest, not the organiser.
